# HANGAR RENTAL

**FALCON FIELD AIRPORT  
MESA, AZ**

Falcon Hangars offers premium aircraft hangar rentals ideal for private owners, corporate aviation, and aviation-related businesses. With easy access and a strategic East Valley location, Falcon Hangars puts your aircraft exactly where you need it.

We can accommodate a range of aircraft sizes, with high clearances, wide doors, and optional office space in select units. Tenants benefit from a well-maintained facility within one of Arizona's most active general aviation airports, surrounded by flight services, maintenance providers, and a strong aviation community.
